## My Research

[« Back to Results](#)

- Create a web page with links to your articles, searches, and publications.

### Marked Documents

[Recent Searches](#) | [Visited Publications](#)

Marked Documents lets you save documents you find useful. To add documents to your marked items:

- With Results displayed--Select the check box to the left of a document title.
- With a document displayed--Select the "mark document" check box on the document display page.

Once you have documents marked, you can create your bibliography, email marked documents, export citations, or create a web page with links to your articles.

\* The maximum number of documents you can save is 50.

4. (pawpaw) W/3 (seed) AND (bread)	<a href="#">Set Up Alert</a>   <a href="#">Create RSS Feed</a>	0 results as of August 7, 2009
<i>Database:</i> Multiple databases... <i>Look for terms in:</i> Citation and abstract <i>Publication type:</i> All publication types		

### Visited Publications

[Marked Documents](#) | [Recent Searches](#)

Visited Publications displays the publications that you have viewed during your session. To add publications:

- Enter a publication search.
- Click on publication titles to view details.
- Links to your recent searches will be included here.

Once you have items listed in your visited publication, you can create a web page with links to your publications.
